

2 15/16" (75)

23 13/16" (605)

2 3/4" (70)

A technical drawing of a U-shaped metal component, possibly a bracket or a part of a larger assembly. The drawing shows the component from a perspective view. It has a long, straight central section and two curved ends that meet at a bottom. The drawing is annotated with three dimensions: a vertical dimension on the left side of the top flange, a horizontal dimension along the top edge of the straight section, and a vertical dimension on the right side of the top flange. The dimensions are given in inches and millimeters.
