RE: Technical modification to file #4682

Dear Sebastian Schmidt:

Thank you for your application P-103930 to notify IAPMO of the technical modification to file 4682. The application was placed on the December 8th, 2014, Product Certification Committee Meeting's agenda for documentation.

The technical modification consisted of: new bracketing method for models - 8.2097.6 Alessi One, 8.2080.1/8 Palomba, 8.2055.0/8 Mimo, 8.2070.0/8 Palace, 8.2068.0/8 Lb3, 8.2095.6 Pro.

Due to the fact that this was an internal modification only to your listed products, it is not necessary to issue a revised certificate for this request. This letter serves as notification that your modification was deemed to be compliant.

Sincerely,

Gina Holguin
